In the end of 2009 I entered into a contract with the Baltimore City States Attorney office to help myself on some charges I was arrested on. Kevin Wilson of the Baltimore City States Attorney office was the States Attorney in charge of this agreement. Part of the contract was to help the States Attorneys office catch a dirty cop. Also part of the contract was that I would not be put in any foreseeable danger. That I would not be asked to do anything thing that would put me in knowing danger.

Once I did all I could do, everyone agreed that even though the cop was not arrested, I had done more than enough to meet my part of the agreement. So Kevin Wilson of the States Attorney took me back in front of Judge Howard of Baltimore City Circuit Court. I was given 5 years probation, with a 15 year suspended sentence.

Within a week later I was

arrested for violation of probation. It seemed that Kevin Wilson had changed his mind. Kevin Wilson knew before hand that I could not expose the dirty cop without exposing myself. The people that I had snitched on were very violent and he (Kevin Wilson) knew that. And the cop was their cop. This cop was on these guys pay roll. If I exposed the cop the people I had snitched on would know it was me who was snitching and they would kill me. I told Kevin Wilson this but he did not care. He wanted what he wanted, no matter the risk. Kevin Wilson told me to do what he told me ~~do~~ or go to prison. So I did what he told me to do. The dirty cop was arrested. About two (2) weeks later I was shot 4 times. When I was shot, one of the two guys who shot me told me that Tony & Butter, (the guys who I had snitched on), said "stop snitching".

The guys I had been snitching on found out that I was the one snitching through the cop I

had set up.

I told Kevin Wilson and the I.A.D. and D.E.A. officers the name of the two guys who shot me and where they lived. I was face to face with them when they shot me. Kevin Wilson would not arrest either one. I told Kevin Wilson I would sue him for what he did and he told me to leave it alone or I would find myself back in jail.

The two (2) guys who shot me were also threatening me with my family. They told me, "if I said anything to the police that they would kill my kids"

I was forced by the States Attorney office and the two guys who shot me to keep ~~my~~ quit. So I did.

Now all my kids have moved away and I'm in prison for the probation Kevin Wilson gave me. The two guys who shot me are

still free and Kevin Wilson is now a district court judge, and I'm in prison with two (2) bullets still in me.

I was threaten with my kids life and prison time to keep quite.

I can prove everything I'm saying, with the contract that was made, my arrest, and there is a D.E.A agent will back up my story.

I am now placing a law-suit for one million Dollars (1,000,000), on the Baltimore City States Attorney office, Internal Affairs Office.

Can you please send me all paper work and forms I need to file this law-suit.

Thank you.
